

CONTENT

H. CERNESCU, P. ONITA, RENATE KNOP, C. IONESCU, SIMONA ZARCULA	The metabolic and hormonal profile on peripartal period in cow	1
I. GROZA, EMŐKE PALL, DARIA GROZA, OLGA SORIȚĂU, C. TOMULEASA, M. CENĂRIU, IOANA CRISTINA ILEA, EMILIA GROZA	Evaluation of multipotent mesenchymal stem cells from human placenta	9
I.A. MORAR, I.S. GROZA, M. ORZAN, EMŐKE PÁLL, V.R. NEAGU, AL.R. POP, C. MATE, EMILIA GROZA	Studies regarding collection, evaluation and conservation of European mouflon (<i>Ovis ammon musimon</i>) semen	15
J. BOJKOVSKI, B. STANKOVIĆ, T. PETRUJKIĆ, B. PETRUJKIĆ, B.SAVIĆ, R.DJOKOVIĆ, I.PANTIĆ, D. TURJAČANIN	Review of investigations on influence of environmental chemical contaminants on hereditary base and reproductive capacities of landrace breed boars from pig farm, Center for Reproduction and Artificial Insemination and Biosecurity Measures in Serbia	25
R. DJOKOVIĆ, H. ŠAMANC, J. BOJKOVSKI, N. FRATRIĆ	Blood concentrations of thyroid hormones and lipids of dairy cows in transitional period	34
T. PETRUJKIĆ, J. BOJKOVSKI, B. STANKOVIC, I. JEREMIĆ, M. RAJKOVIĆ	Sterility in dairy cows and veterinary procedures in herd management	41
G. OTAVĂ	Comparative study of conception rate on heifers artificially inseminated with sexed and conventional semen	46
V. ARDELEAN, GH. BONCA, C. MIRCU, H. CERNESCU, A. ARDELEAN, RENATE KNOP, G. GODJA, SIMONA ZARCULA, GABRIELA KORODI	Diagnose of inactive, active and intraparenchymal <i>corpora lutea</i> using Prostaglandine F ₂ alpha, in cow ovaries	52

LUCRĂRI ȘTIINȚIFICE MEDICINĂ VETERINARĂ VOL. XLIII (2), 2010, TIMIȘOARA

VIOLETA IGNA, A. MOJE, C. MIRCU, M. ROMAN, C. GHIURCA, DELIA CASALEAN, H. CERNESCU	The influence of some environmental factors and age on semen production of Fleckvieh bulls	56
SIMONA ZARCULA, CAMELIA TULCAN, H. SAMANC, DANIJELA KIROVSKI, H. CERNESCU, C. MIRCU	Clinical observations in calves fed colostrum supplemented with clinoptilolite	64
A. MUSTE, I. PAPUC, FL. BETEC, R. LACATUS, ALINA DONISA, M. MARIUS	The study of posttraumatic bone callus formation in sheep	70
A. MUSTE, FI. BETEG, ALINA DONISA, M. MUSTE	Research and observations about the use of vascular prosthesis in swine	75
C. IGNA, C. LUCA, SIMONA ANGHIEL, LARISA SCHUZLER, M. SABAU, ROXANA DASCALU	Evaluation of osteogenic activity and mineralization of cultured canine periosteal cells	81
C. IGNA, ROXANA DASCALU, C. LUCA, LARISA SCHUSZLER, M. SABAU	X-ray evaluation of bone formation capacity by use of a periosteal flap in dog	86
F. BETEG, A. MUSTE, R. LACATUS, ALINA DONISA, LAURA SCURTU, ANDREEA BOTA, A. KRUPACI	Mediastinotomy by paratracheal approach in the dog – a preliminary report	90
F. BETEG, A. MUSTE, N. MATES, ALINA DONISA, LAURA SCURTU, ANDREEA BOTA, A. KRUPACI	Observation concerning the effects of medetomidine-microdose on diazepam-ketamine induced anesthesia in dogs	95
ALINA DONISA, A. MUSTE, F. BETEG, M. MUSTE	Retinochoroiditis in dog: diagnosed and incidence	100
LARISA SCHUSZLER, C. IGNA, A. SALA, ROXANA DASCĂLU, M. SABĂU, C. LUCA	Analgesic effect of premedication with tramadol or butorphanol in dogs undergoing osteosynthesis	104

A. SALA, LARISA SCHÜSZLER, M. SABĂU, C. LUCA, C. IGNA, ROXANA DASCĂLU, DIANA BREZOVAN	Horse sarcoids: a morphoclinical and therapeutical experience on ten cases	109
F. MUSELIN, ALEXANDRA TRIF, DIANA BREZOVAN, EUGENIA DUMITRESCU	Lead in liver, kidney, spleen and lungs consecutive chronic exposure in rats	119
F. MUSELIN, ALEXANDRA TRIF, DIANA BREZOVAN, A. STANCU, PETROVICI SNEJANA	The consequences of chronic exposure to lead on liver, spleen, lungs and kidney arhitectonics in rats	123
JELENA RANKOV, ALEXANDRA TRIF, P. NEGREA, SIMONA STELIAC (MARR. MUNTEANU)	Potassium dichromate exposure consequences on chromium level in rats genital organs and sexual accessory glands. two generation study	128
EUGENIA DUMITRESCU, ALEXANDRA TRIF, R.T. CRISTINA, SNEJANA PETROVICI	Lead acetate impact on fundamental biomarkers of reproductive functionality in female rats (<i>sukling period exposure</i>)	134
V. CRIVINEANU, A. LEONIDIS, G.V. GORAN, IULIANA CODREANU	Blood and wool lead levels in sheep farmed near roads from province of Thessaloniki	140
V. CRIVINEANU, A. LEONIDIS, G.V. GORAN, IULIANA CODREANU	Correlations between some metals levels in the environment and their blood concentration in sheep farmed in Thessaloniki province	147
A. LEONIDIS, V. CRIVINEANU, G.V. GORAN, M.D. CODREANU	The level of heavy metals in blood and milk from cattle farmed near polluting industries in the province of Thessaloniki	153
A. LEONIDIS, V. CRIVINEANU, G.V. GORAN, M.D. CODREANU	Study of some serum parameters in cattle farmed near polluting industries in the province of Thessaloniki	159
ELENA MITRĂNESCU, L. TUDOR, F. FURNARIS, L. ILIE, VIOLETA SIMION, MAGDA GONCIAROV	Researches concerning the quality of water used in a bread plant – Neamt County	166

ELENA MITRANESCU, F. FURNARIS, L. TUDOR, VIOLETA SIMION, SIMONA MANASCURTA, D. MITRANESCU, MAGDA GONCIAROV	Correlation between water physical chemical parameters and survival rate of <i>Pterophillum scalare</i> aquarium fish	170
LETITIA STANA, ALEXANDRA TRIF, LOREDANA GABRIELA STANA, SNEJANA PETROVICI, CORINA GRAVILA	The influence of the potassium dichromate intake level (CrVI) on the globular resistance in female rats from F ₂ generation	176
ALEXANDRA TRIF, EUGENIA DUMITRESCU, SNEJANA PETROVICI	Aluminium sulphate impact on fundamental biomarkers of reproductive functionality in female rats (<i>in utero</i> exposure)	181
ALEXANDRA TRIF, SNEJANA PETROVICI, EUGENIA DUMITRESCU, F. MUSELIN	Dynamics of female sexual hormones after six months exposure to potassium dichromate (CrVI)	187
LUCIA OLARIU, MIHAELA PETCU, STELA CUNA, MIHAELA PUP, CAMELIA TULCAN, ILEANA BRUDIU	The role of deuterium depleted water (DDW) administration in blood deuterium concentration in Cr (VI) intoxicated rats`	193
JELENA PETROVIC, NADA PLAVSA, DUBRAVKA MILANOV, M. KAPETANOV	Antimicrobial resistance of foodborne pathogens as a food safety issue	197
CLAUDIA SALA, ADRIANA MORAR, A. MORVAY, ILEANA NICHITA, S. JORZ	Research regarding factors that influenced the variation of freezing milk	204
MARILENA GHIȚĂ, V. STĂNESCU, L. TUDOR, ANCA GALIȘ, MAGDALENA GONCIAROV, R. POPA	Research concerning the meat parameters changes in relation with the types of the frying fats	212

LUCRĂRI ȘTIINȚIFICE MEDICINĂ VETERINARĂ VOL. XLIII (2), 2010, TIMIȘOARA

MARILENA GHIȚĂ, V. STĂNESCU, L. TUDOR, L.I. ILIE, MAGDALENA GONCIAROV, R. POPA	Research concerning the influence of processing temperatures for tenderness of chicken meat	216
L.I. ILIE I., L. TUDOR, ANCA MARIA GALIȘ	The electrical conductivity of cattle milk and the possibility of mastitis diagnosis in Romania	220
L.I. ILIE I., L. TUDOR, ANCA MARIA GALIȘ	Research concerning the main factors that influence the freezing point value of milk	228
C. COMAN, E. VLASE	Diets – critic points for <i>in vivo</i> tests, a comparative analysis between natural and purified diets	235
MAGDA GONCIAROV, P. RAREȘ, L. TUDOR, ELENA MITRĂNESCU	Best practices-basic requirements of hygiene and processing	242
MAGDA GONCIAROV, P. RAREȘ, L. TUDOR, ELENA MITRĂNESCU	Risk study key stage of the HACCP system	246
M. MIHAIU, C. BELE, S. D. DAN, CARMEN JECAN, C. MATEA, ROMOLICA MIHAIU, ALEXANDRA LAPUSAN	Experimental models regarding the effects of polyunsaturated fatty acids on biochemical blood profile in guinea pigs	251
