Social skills and competences

As a professor and researcher I was continuously dedicated to have the ability to communicate for the students different theoretical and practical knowledge. Also in my didactic activity was very important to be able to have social skills in order to have a good interaction with the students and the colleges. In last eight years through my activity as Vice Dean of the Agricultural Faculty I arrive to have achievements in the educational management, in this period I was involved in many activities with the students or the university colleagues.

Very important as defining elements for my didactic and research activity are the postgraduate achievements obtained from many postgraduate scholarships in the forage plant fields and environmental protection won in country or abroad.

Coordinate students' activities in school and the final projects and even licenses themes, coordinate the doctoral study. In the last eight years I have organised in team the yearly scientific symposium for the Agricultural Faculty.

I'm scientifically reviewer from 2004 for the Agriculture Faculty Timisoara Scientific journal, and from 2009 I'm in scientific board of the „Agro Buletin AGRIR”, published by AGIR Timisoara

Organisational skills and competences

I initiated and organised for the first time a symposium for the young researchers in Agriculture Faculty. I initiated and organised for the first time a Job Day meeting dedicated to the student in the last study year and also for the agricultural field employers.

I coordinated in the past three research grants obtained through national competition and financed by C.N.C.S.I.S., and two researches project financed by county department.

From 2004- until present I'm the ViceDean of the Agriculture Faculty. In this quality I'm the coordinator for all Faculty administrative activities.

From 2004 I'm full member of the Agriculture Faculty Council.

From 2004 I'm full member of the Banat's University of Agricultural Sciences and Veterinary Medicine from Timisoara Senate.

Technical skills and competences

Experience in the trials fields machinery

Computer skills and competences

PC using Microsoft Office™ (Word™, Excel™ and PowerPoint™);

Artistic skills and competences

I have esthetical qualities for music, literature and landscape architecture.

Experience gained as a member in a research team for national and international research grants. I had participated in many national and international symposiums in my activity field, as:

-in 2000 I had at the Christian Albrecht Universität Kiel participated at "der 50. Öffentlichen Hochschultagung",

-in 2006, I was in quality as E.U. independent expert in Technical University Chisinau, Moldova, in order to introduce the Bologna processes in the Moldavian university

-in 2003 I work in the Ghent Belgium University for improve and introduce the ECTS system at the Banat's University of Agricultural Sciences and Veterinary Medicine from Timisoara

-between 2002-2004 I was the Institutional Coordinator for the Socrates-Erasmus projects at the Banat's University of Agricultural Sciences and Veterinary Medicine from Timisoara

-in 2008 I had participated in the Excellence research Program, 2nd Module, Project type- Excellence research projects for young researchers, project code 30, „Soil heavy metal contents evaluation using bioindicators plants and their valorisation in therapeutical purposes, CEEEX 14/4/04.2006, Certificate of participation no.1729/17.03.2008

-in 2003 I attended a course relating to the methodology instruction in the frame of the E.U project FP 7, organized at Bucharest, by UEFISCU si HYPERION Ltd. Irlanda.

-in 2001 I attended a course relating to the methodology instruction on the Socrates programs, organized by Socrates National Agency

Started from 2010 Im involved in some research and university development project, as:

Postdoctoral school in Agriculture and Veterinary Medicine domains, POSDRU/89/1.5/S/62371. Romania 2010 – 2012
