

Nicoleta Hădărugă was born in Alba County (Transylvania), Romania. She received M.Sc. in Food Products Technology at the Banat's University of Agricultural Sciences and Veterinary Medicine of Timișoara in 1999. She obtained the Ph.D. degree in Chemical Engineering six years later at the "Politehnica" University of Timișoara. Nicoleta Hădărugă is Associate Professor at the Department of Food Science from the Banat's University and from 2012 is the Vice-Dean of the Faculty of Food Products Technology from the Banat's University. Associate Professor N. Hădărugă's research interests include protection and controlled release of biologically active compounds from cyclodextrins and liposomes.

BIOACTIVE COMPOUNDS /CYCLODEXTRIN COMPLEXES

synthesis, characterisation, applications, and molecular modeling

Habilitation Thesis

Nicoleta Gabriela HĂDĂRUGĂ – Presentation of the Habilitation Thesis – May 8, 2013
(“Politehnica” University of Timișoara, Bd. V. Pârvan N^o 6, B17)

Report presentation – Commission of the Habilitation Thesis

Nicoleta Gabriela HĂDĂRUGĂ – Presentation of the Habilitation Thesis – May 8, 2013
("Politehnica" University of Timișoara, Bd. Pârvan N° 6, B17)

Report presentation – Commission of the Habilitation Thesis
